Tokyo, Japan. May 2002.

Promoting Cultural Diversity in a Rural Community

Japan Ministry of Education, Culture, Sports, Science and Technology
Japan Exchange and Teaching Programme, Orientation
Tokyo, Japan. July 2001.

Teaching Experience

- Public Management, Co-Instructor: Lectured, developed case studies, and assisted with syllabus design.
- Business-Government Relations. Assisted with syllabus design
- Constitution Simulation. Assisted with syllabus design

Professional Memberships

- Association for Public Policy Analysis and Management (APPAM)
- American Society for Public Administration (ASPA)
- American Evaluation Association (AEA)
- Society for Social Studies of Science (4S)

Professional Experience

Georgia Institute of Technology, Atlanta, GA. Sept 2004 – Present

Senior Research Associate, Research Value Mapping Program. Duties include designing research, conducting data analysis, managing survey projects and research assistants, and writing publishable papers.

- Designed, implemented, and managed the National Administrative Studies Project, a survey of over 1300 managers in Illinois and Georgia. Duties included managing three undergraduate students, one master's student, and one employee. Data Captain duties included defining timeline, managing coding, designing and ordering all survey documents, overseeing all mailings, cleaning the data, and writing the official codebook.
- Actively working on designing and implementing a phone survey and experiment at Arizona State University for the Project on Science, Technology, and Distribution of Outcomes, a study sponsored by the Kellogg Foundation. This project requires working with a team of researchers at ASU, making periodic visits to ASU.
- Working on co-editing a special issue of the International Journal of Learning and Change.

Rutgers University, New Brunswick, NJ. Sept 2002 – May 2004

Graduate Research Assistant: Worked with Professor Bari Anhalt Erlichson to analyze judicial involvement and legislation in education policy and reform in New Jersey. Duties included research, data analysis, presenting research information, and building a bibliographic database. Conducted hourly research with Professor David Guston on the role of university institutions for monitoring the ethical, social, and legal implications of nanotechnology research, which included building a bibliographic database, moderating focus groups, and conducting and presenting research results.

National Academy of Sciences, Washington, DC. May 2003 – Aug 2003

Research Assistant: Conducted literature reviews, composed research summaries and memos, and attended planning and organizational meetings for the NAS Committee on Science, Engineering, and Public Policy project "Facilitating Interdisciplinary Research."

Japan Exchange and Teaching (JET), Gunma, Japan July 2000 – July 2002

English Instructor: Designed and implemented original oral communication curriculum and worked with the Katashina Board of Education, teachers, and staff to incorporate international themes in school wide curriculum. Organized and facilitated student home stay visits to the US.

University of Minnesota Writing Center, Minneapolis, MN. Sept 1999 – May 2000

Writing Tutor: Assisted student athletes with conducting research, designing outlines and drafts, analyzing information, and writing and editing analytic and creative writing.

U.S. Senator Michael B. Enzi, Washington, DC. Jan 1998 - June 1998

Intern: Conducted legislative research, wrote letters to constituents, attended and reported on hearings and meetings, and interacted with constituents and lobbyists.

Organizations and Activities

- National Science Foundation Award for membership to the American Evaluation Association. October 2004.
- Mentor, Big Brothers Big Sisters Atlanta. August 2004 – August 2005.
- Volunteer, Jr. High girl's volleyball coach, St. Jude's School, Atlanta, GA. Aug 2004 -Nov 2005.
- Leadership Award. Rutgers University Alumni Federation. April 2004.
